

COVID – 19 – NETBALL NIGHTS PRECAUTIONS AND FIXTURE CANCELLATIONS

Netball Nights are following government guidelines with regards to the COVID 19 virus.

<https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

This could affect Netball fixtures over the next few months as venues may issue closures, we will endeavour to update you as soon as we possibly can with regards to any closures, meanwhile netball fixtures will continue as normal. Any cancelled fixtures will be re arranged as usual.

We suggest that all players wash their hands thoroughly prior to the start of their game. If players wish to bring their own hand gel to take precautions at quarter time this is acceptable. Also if players wish to use their own netballs and bibs this is also ok.

Any one who has recently travelled to a high risk county we ask you to follow government guidelines and self isolate for 14 days. Please also ensure if you are feeling unwell you do not play and again follow the guidelines.

Please think of your fellow players and keep yourself safe.

Thank you

Claire
